

Dear Cow/Calf Producers:

We would like to invite you to the Cow/Calf Producer's Night. The program was developed for cow/calf producers. The present economic situation requires cattlemen to be on top of the latest research and technology to keep their operations profitable. This program should help you find ways to reduce cost while helping to improve your overall profitability.

We look forward to your attendance on **December 13, 2011**.
